

# **Behaviour Code – Bishop Young Community Academy**

## **Respect for others**

We all speak to one another with respect.

We never try to make anyone feel bad about themselves.

We share with each other and help each other.

## **Respect for learning**

Teaching is varied, fun and very good.

Students want to learn, do their best and complete homework.

No-one is allowed to spoil the learning of others.

## **Respect for environment**

Everyone is given the necessary resources to succeed.

Everyone looks after the Academy, taking responsibility for the environment.

We all make sure the atmosphere is calm and purposeful.

## **Respect for achievement**

We celebrate and reward achievement which is consistent.

Achievements in citizenship, attendance, sport, arts and learning are recognised.

We are proud of our own achievement and that of others.
